What cricketers will gain from joining the Pinelands CC Youth Section:

- Mini-Cricket Coaching is aimed at improving ball skills, strength, agility and confidence in young cricketers. We look at technical faults and stop bad habits before they become a problem. We prepare young cricketers for hard ball cricket.
- Junior Cricket Coaching is aimed at improving players and preparing them for matches. We will be running Saturday matches, depending on age group. The aim is to develop all cricketers so that they can become more confident in their own ability.
